NEWSLETTER
VON ROSENBERG FAMILY OF TEXAS

Dear Cousins,

San Antonio, home of the famous Alamo, the scenic San Antonio River, and many other interesting sights will be the locale of this years annual Von Rosenberg family reunion. Plans are completed and this years reunion promises to be one of the best. The date for this years reunion is May 7th, the first Sunday in May.

The location for our reunion will be the Joske pavilion located in picturesque Brackenridge Park. It is felt that this location will not only be convenient but will afford many recreational facilities for the children. Perhaps the easiest way to locate the pavilion is to enter the park at the Witte Museum entrance in the 3800 block of Broadway (U.S. 81 North.) After you enter the park proper, take the first street to the right and the Joske pavilion will be the only covered building on the right. Everyone bring their own picnic lunch.

Those of you who attended the reunion a few years ago will remember the entertaining magic show put on by Mr. Frank Dexter. We have arranged to have Mr. Dexter on the program to entertain you with his magic again this year.

This years meeting will be especially important since we will have the election of the officers to lead us for the next two years. It will be important that each of us come and make his vote count in this election.

We would especially urge those of you who have never attended a reunion or those of you who have not attended in a number of years to make an extra effort to attend this year. Come and meet many of your cousins whom you may have never met before.

Lorraine Jensen visited with her mother Mrs. Laura Warnken in San Antonio during the month of April. Lorraine and her husband Col. David Jensen are stationed in Japan with the U.S. Air Force.

We are sorry to hear of Alma Tomlinsons stay in the hospital. She is out now and we hope well on the road to recovery.

We hope to see many of you in San Antonio on May 7, 1961.
